

BATTLESHIP

Draw ONE battleship (4), ONE submarine (3), TWO cruisers (2) in your ocean.

Attack your opponent's ships by giving your opinion and inviting him/her to agree (HIT) or disagree with you (MISS). E.g, "I think we spend too much money on presents. Do you agree?" "That's true, because" (agree if it's a HIT) "I'm not sure about that since/as" (disagree if it's a MISS)
