

### Activity ONE

Classify the discourse markers according to their function.

*What is more, incidentally, as a result, in addition to this, all in all, conversely, by contrast, even though, in other words, likewise, what's more, having said that, for this reason, as a matter of fact, (but) even so, as well as this, as it so happens, accordingly, nevertheless, I mean, after all, whereas, by and large, on account of (this), moreover, regardless (of), in general*

Add information	Contrast	Show cause and result	Generalize	Explain
<i>Incidentally</i>	<i>(but) even so</i>	<i>Accordingly</i>	<i>All in all</i>	<i>In other words</i>
